1) 8. Estimates for special illuminations and flood-lighing during Birthday Festivities:

The Chief Electrical Engineer has raised the question as to whether there would be any procession at all during the Birthday of His Highness this year and if so, has asked for information Re: routes, expenditure on illuminations etc. The question of celebrating the Birthday and Dasarah has first to be decided before a specific answer is to be given to the Chief Electrical Engineer. The Financial Secretary says that there is the usual Budget provision under T.A., D.A., etc., for the officers who may have to go to Mysore for the Birthday and this can be met as usual as also the T.A., etc., of the retired officers and others to be invited for the occasion. But so far as other items of expenditure like illuminations, movement of troops, Police, etc., are concerned, the matter has to be examined further.
